

## A HELPING HAND FOR OUR TRADE PARTNERS

The new Display Systems sample case is designed to offer our trade partners a versatile helping hand for business development. This stylish travel case has been carefully designed to present a comprehensive selection of stainless anodised components and application examples from our cable, rod and acrylic pocket ranges.

Our sales team will be pleased to discuss your sample case requirements.

“I was so impressed with the sample case I bought two! It shows my customers exactly what they are getting and is an ideal way of putting our ‘case’ across in order to get that sale”.
